SurPac Contributions: (This is a non-deductible voluntary contribution)

Political action committees promote the welfare of the Florida Surplus Lines agent by helping elect those candidates who support the wholesale system and related issues. As a contributing member you help achieve that goal. Any individual or company may contribute any amount.

Florida Surplus Lines Association dues are not deductible as a charitable contribution for federal tax purposes, but may be deductible as a business expense. The current tax code eliminates the portion of your dues attributable to lobbying expenses. It has been determined that 46% of your dues are used for these purposes, therefore only 56% of your dues are deductible as a business expense.
